

MONTAGUE PLACE

CONCEPT DESIGN

THE CONSULTATION & ENGAGEMENT PROCESS

The main priorities that materialised from the Consultation & Engagement events and form the basis for the concept Design:

Entertainment

- Worthing's Alfresco dining
- Public art
- Pop-up events
- Informal play

Shelter

- Shelter from the Sun
- Protection from coastal wind

The Wall

- Greening
- Digital art and cinema
- Lighting

Success of Portland Road

- Robust seating
- Attractive paving
- New space with Identity

Greening

- More trees and vegetation
- Increased biodiversity
- Sustainable drainage

Surfacing

- Levelled surfaces
- High-quality materials
- Less asphalt, more permeability

Seating

- High quality seating
- Accessible seating
- Natural stone instead of concrete

Lighting

- More lighting
- Safe spaces at night
- Creative lighting

Accessibility

- Improve access to the seafront
- Improve ramp to the seafront

Technology

- Smart benches
- Solar powered LED street lights
- Wifi spots

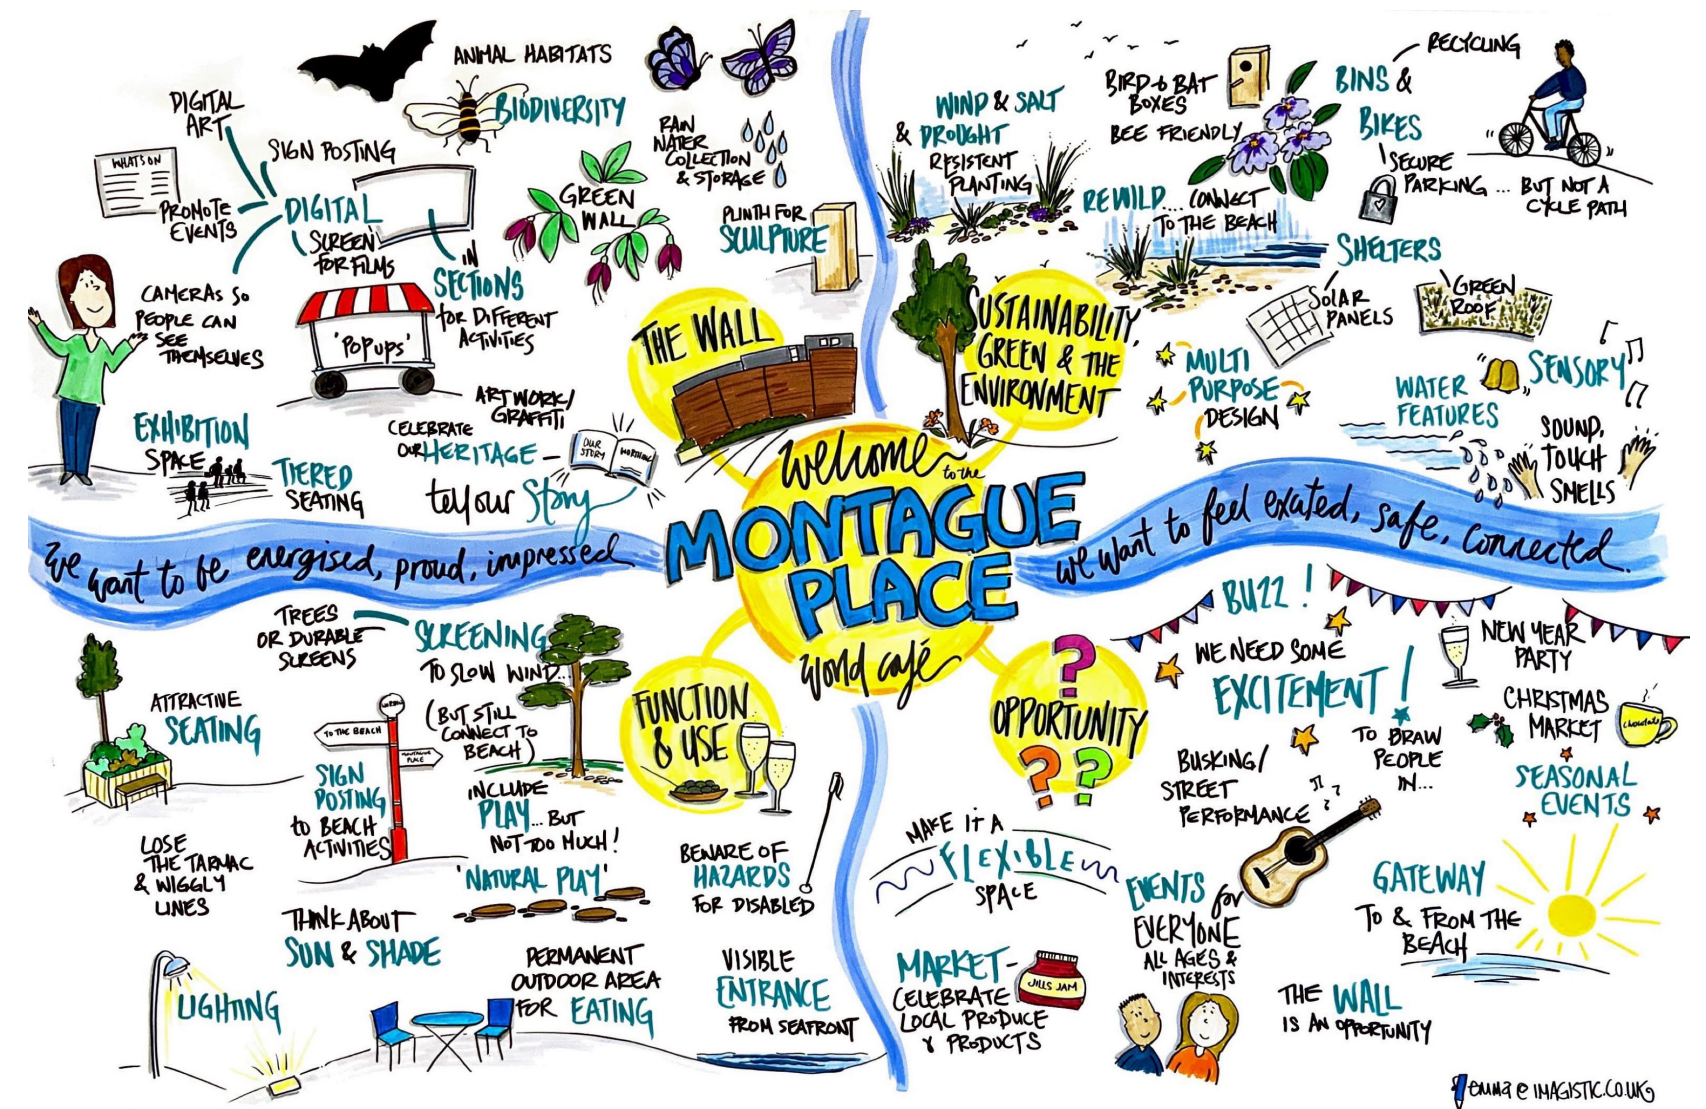

Parking

- Improved disabled parking space provision
- Retain loading bays
- Remove parking bays

Other

- Secure e-bike storage
- Improve waste storage
- Evoke the history of the space
